There is no place like home.

AAADSW provides services to seniors, adults with disabilities and their families.

Family Caregiver Support Program

The Family Caregiver Support Program (FCSP) provides services to family and friends to help them continue at-home care of a loved one.

Caring for the Caregiver

Our free consultations connect caregivers to the options that work for them.

Supplies and Equipment

TCARE

TCARE is an assessment that helps us better provide support and services to each individual family caregiver.

Information and Assistance...

connects caregivers to a range of public and private resources about aging and long-term care support services.

We also provide assistance accessing these services.

One on One Counseling & Support Groups

Our licensed counselors help caregivers cope with stress that may occur during the caregiving journey.

There are also support groups available to caregivers.

Caregiver Education and Training

Our caregiver libraries, classes and workshops provide invaluable information on how to care for your loved one and yourself.

Supplies and Equipment

Limited funds may be available to purchase items such as grab bars, personal emergency response systems and incontinence supplies.

Respite Care

Respite care provides a break from caregiving.

What Caregivers say about our services...

“Keep up your wonderful work and the community needs that you meet.”

“You’re tops...you were mentioned in every Christmas Card I sent.”

“Thank you very much for being caring people.”
